

Public Workshop & Equipment Roadeo Wichita Falls, Texas | February 5, 2024

Cornhole Tournament Rules

- 1.) Boards will be placed 27 feet apart from front edge of each board.
- 2.) Teams consist of 2 players and both players must stay for the whole tournament (in the Roadeo area). There will be no subs allowed when tournament starts. Participants can only be on one team.
- 3.) Players must stay behind the front edge of the board when throwing. If player goes past the front edge of the board the bag that was thrown will not count.
- 4.) Players must throw the bag underhand. If bag is thrown overhand the throw will not count. Must throw all 4 bags during turn and players will alternate throwing bags.
- 5.) A coin toss will be conducted before each game to see which team starts throwing first.
- 6.) Each game will go to at least 21 points. You can go over 21 points and not be penalized. If your team doesn't score a point and your opponent scores 11 or more points that is a skunk, and the game is over.
- 7.) Scoring will be 1 point for on the board and 3 points in the hole. This tournament will follow cancellation scoring. Example: If team A has 4 points on the board and team B has 3 points on the board. Team A will be awarded 1 point.
- 8.) When a team scores points, they start the next throwing sequence.
- 9.) If a bag is thrown and hits the ground first allowing it to bounce up on the board this bag will not count. Bag will be removed from the board.
- 10.) If there is a protest/discrepancy it will be up to the tournament coordinator to rule on the protest/discrepancy. The tournament coordinators ruling will be final.
- 11.) Touching, adjusting, or aligning a cornhole board during an inning is prohibited. Players or officials may only align the cornhole board between innings.
- 12.) A contestant must pitch the entire match with the same hand or arm, except in the case of a medical emergency.
- 13.) Register your team no later than Monday, 01/29/24 (<https://txapwaworkshop.net/>). No registration is available onsite.
