## SPONSORSHIP/EXHIBITOR REGISTRATION FORM—PAGE 1 OF 2

The Public Workshop (PWS) is an annual educational opportunity offered by the Texas Chapter of the American Public Works Association (TX-APWA), aimed at providing critical training and industry exposure for the public works practitioner.

In addition to educational sessions, the PWS program also includes an **Equipment Rodeo** that affords competitors the opportunity to showcase their expertise while operating the latest equipment. With over 300 attendees from around Texas, your sponsorship directly contributes to the success of the PWS and the professional advancement of participating public works employees.
